

CUSTOM FIT CUSHIONS

For Rustic Natural Cedar Furniture

Originally fabricated to meet our own needs for economically priced cushions to complement our Rustic Cedar furniture sales, we now offer these cushions to other retailers of Rustic furniture.

American Traders manufactures short runs of custom toboggan cushions, so it was a natural step to fabricate cushions to meet our rustic cedar furniture needs.

The cushions are made in Vermont using good quality materials. As with all our products, we stand behind these cushions and think you will find them a useful well priced addition to your product line that will help sell Rustic Natural Cedar Furniture.
